1. How did the residency meet mutually agreed upon learning targets and expectations as discussed during the pre-planning meeting? Were residency objectives met?

2. How did the residency help your school meet the Oregon Arts Content Standards?

3. How did your students benefit from the residency?

4. How did your teachers benefit from the residency?

5. How did the residency increase/enhance your commitment to incorporate the arts into your school environment (curriculum)?

6. Will you continue to participate in Art Center East's Artist in Rural program?

7. Do your teachers regularly incorporate Art (as defined by the Oregon Arts Content Standards) into their curriculum? If not, how will you encourage teachers to use what they have learned from the residency?

8. How did you ensure that the teachers were active participants in the residency classroom?

9. If your school and the artist incorporated a Professional Development Workshop into your residency, how did you support/encourage teachers to participate?
